FINANCE AND QUANTITATIVE TRADING EXPERIENCE

CMU MSCF TRADING COMPETITION Pittsburgh, PA
Quantitative Trading Competitor *September 2026*
- Built and coded a bot for 2 simulated markets, combining live signals with systematic order placement and execution controls
- Monitored 3 priorities, inventory, liquidity, and market conditions, adapting execution logic and order timing in real time
- Tested strategy responses, refined order flow, and captured opportunities across both markets to sustain activity throughout the competition

SUSQUEHANNA INTERNATIONAL GROUP Bala Cynwyd, PA
Quantitative Trading Discovery Program *2026*
- Selected for a first-year program at a global market-making firm combining trading, probability, and quantitative career development
- Studied 3 market-making themes, expected value, execution, and decision-making, through workshops and applied problem sets
- Solved trading and probability problems with peers while evaluating risk, liquidity, execution, and market structure

AI AND MACHINE LEARNING RESEARCH Northeastern University
Lead Researcher, three-person team | Northeastern University Professor *2024 - 2025*
- Benchmarked 5 language models, including FinBERT, FinGPT, GPT, RoBERTa, and LLaMA, using financial text and sentiment labels
- Created an evaluation workflow comparing model outputs across non-macro market data, financial text, and model predictions
- Directed a 3-person team, prepared an MSAST 2025 submission, and synthesized findings for research review

BAYMONT BY WYNDHAM Milesburg, PA
Finance and Operations Intern *2024 - 2025*
- Built dynamic pricing models using 3 inputs, seasonal demand, competitor positioning, and booking patterns, for revenue decisions
- Guided room-level pricing decisions with model outputs across room types, contributing to a 9.3% increase in room revenue
- Prepared ROI analyses supporting $520,000 in renovation and investment decisions across hotel operations and capital projects

VENTURE STARTERS AND GOAHEAD VENTURES Los Angeles, CA / Menlo Park, CA
Venture Capital Intern *2022 - Present*
- Screened about 100 startup pitches, prioritizing companies for senior review based on market potential, position, and differentiation
- Assessed early-stage fit across markets, competitors, business models, and growth opportunities during investment diligence
- Summarized investment theses, key risks, and growth opportunities for venture team discussions and senior review

LEADERSHIP EXPERIENCE

FUTURE BUSINESS LEADERS OF AMERICA Anaheim, CA
Region President *2022 - Present*
- Directed a region of 15+ schools and 1,000+ members, coordinating chapter programming, competitions, and member support
- Organized a 700+ attendee conference and raised $2,000+ in sponsorships from business partners and local sponsors
- Coached competitors in financial statement analysis, presentation strategy, and case preparation for regional and national events

CATALYST BUSINESS ADVISING SERVICE Philadelphia, PA
Founder and President *2023 - Present*
- Managed a 40+ member team providing pro bono financial modeling and pitch-deck consulting to entrepreneurs and business owners
- Supported 15+ businesses across 4 countries through market research, financial analysis, and strategic recommendations
- Delivered client analyses and presentations from initial scoping through stakeholder follow-up, revisions, and final delivery
